

Success in 2018

Thank you for making 2018 our best fundraising year yet! Our community generously gave to provide hope and comfort to grieving families through many events and invitations to invest in our mission. Partnerships with compassionate individuals, businesses and other organizations throughout our nine-county service area are vital to ensure everyone has access to life-changing experiences made possible through hospice, palliative care, and grief support programs.

We are one year closer to the end of our Vision 2020 campaign that was launched in 2015 to achieve some strategic objectives to secure our past, present and future as a community-based hospice agency. Our goal to eliminate debt, expand services and create a strong preservation fund have never been more important! Thank you for giving hope and comfort to grieving families in our community. We look forward to a strong 2019!

Total Funds Raised in 2018

\$540,256

Race to Remember:
Raised in 2018 with 770
participants

\$67,902

Lights of Love:
Approximately 608
lights purchased

\$10,280

From Grants:

\$45,542

Summer Soiree:

\$90,126

Race  **REMEMBER**
be a hospice hero

In 2018, we celebrated our 13th annual Race to Remember! More than 800 participants and volunteers came out to remember loved ones and show their support for end-of-life care. The event helped raised more than \$67,000 for Shepherd's Cove!

Shepherd's Cove
Palliative Care

Shepherd's Cove Palliative Care, formerly known as the Palliative and Supportive Care Alliance, is an entity funded by the Shepherd's Cove Foundation. It provides palliative care that bridges the gap between patient comfort and medical treatment. This care allows the patient and their family ease in navigating the health care system with greater access to care and clearly defined goals. Care with Shepherd's Cove allows the patient and their family to avoid unnecessary treatments, procedures, and hospital stays. Our mission is "to improve quality of life through patient and family-centered symptomatic care."

Community Grief Support

Community grief support services are offered to anyone grieving a loss at no charge, thanks to Foundation support.

Number of individuals served through the community grief support program **210**

343 Number of children served in our in-school program

Number of schools we serve **65**

153 Total Camp HOPE participants

We Honor Veterans

As members of the National Hospice and Palliative Care Organization's We Honor Veterans program, Shepherd's Cove Hospice recognizes veteran patients and their families with pins, certificates of service, and folded American flags. This program is supported by the Shepherd's Cove Foundation.

For the week of Memorial Day 2018, SCH partnered with the VFW Post 6837 to place 77 crosses on our front lawn. Each cross bore the name of an individual veteran who died under our care.
